2019 Random Lengths Big Book available

EUGENE, ORE. -- The Random Lengths 2019 Big Book is now available. The largest and most widely recognized directory of the North American softwood industry is published annually.

PUBLISHERS OF

Random Lengths
International
Yardstick
The Big Book

This year's 744-page edition contains 3,601 listings of U.S., Canadian, and offshore softwood companies and 14,254 personnel. The convenient guide shows addresses, phone and fax numbers, email addresses and websites, company profiles, and other valuable information. More than 85% of the listings from the 2018 Big Book have changed.

The Big Book is available for \$287.95. Random Lengths offers discounts for purchases on the website at www.randomlengths.com.

ucts sector. Businesses working in the pulp and paper, packaging, wood products, timber, biomass, tissue, and nonwovens markets use Fastmarkets RISI data and insights to benchmark prices, settle contracts, and inform their strategies worldwide. Along with objective price reporting and industry data, Fastmarkets RISI provides forecasts, analyses, conferences, and consulting services to stakeholders throughout the forest products supply chain.

About Fastmarkets

Fastmarkets is the leading price reporting, analytics and events organization for the global metals, mining, and forest products markets. Fastmarkets' core activity in pricing drives transactions in commodities markets around the world and is complemented by news, industry data, analyses, conferences, and insight services. Fastmarkets includes brands such as Fastmarkets MB, Fastmarkets AMM, Fastmarkets RISI and Fastmarkets FOEX (previously known as RISI and FOEX, respectively). Its main offices are in London, New York, Boston, Brussels, Helsinki, São Paulo, Shanghai, Beijing, and Singapore. Fastmarkets is a part of Euromoney Institutional Investor PLC, a listed company on the London Stock Exchange. Euromoney is a leading international business-to-business information group focused primarily on the global commodities, banking, and asset management markets.
